**UPDATED: January, 2019**

## How to Recycle and Dispose of Trash in Ulster County

Ulster County residents can use their municipal recycling center (transfer station) for recycling and trash. Contact your town transfer station with regards to their fees, hours, etc. Alternatively, residents can hire a commercial sanitation company to pick up their trash and recycling. Residents of the City of Kingston and the Town of Kingston have curbside pick-up for trash and recycling. Dual stream recycling instructions (recycling separated) for municipal recycling centers and for the Ulster County Resource Recovery Agency are below. Please note Ulster County Resource Recovery Agency only accepts commercial recycling at their MRF (Materials Recovery Facility) in Kingston. Call Ulster County Resource Recovery Agency Recycling Hotline with any questions about recycling and composting at (845) 336-3336 or visit UCRRA's website at [www.ucrra.org](http://www.ucrra.org).

If you have a hauler picking up your trash and recycling please contact them for recycling instructions. Most haulers collect single stream recycling (all recycling in one bin).

### Below are the instruction for dual stream recycling (recycling separated) at the Municipal Recycling Drop-Off Centers (MRDC) and Ulster County Resource Recovery Agency:

#### Cardboard and Mixed Paper

**Cardboard:** Corrugated only. **No food-contaminated cardboard (pizza boxes), cereal/tissue boxes, toilet/paper towel rolls, brown bags, or paper of any kind.**

**Mixed Paper:** Includes brown paper bags, newspaper, junk mail (including envelopes, coupons, ads & inserts), magazines/catalogs, all thin cardboard (including pasta, cereal, cracker, and other food boxes, shoe boxes, tissue boxes, paper egg cartons, soda & beer packaging), phone books, computer/copy/fax paper, writing/ledger paper, school paper, paperback books, greeting cards, and gift wrap without metal foil. **No tissues, napkins, paper plates or cups.**

#### Commingled Recycling

**Glass:** Bottles & jars only with lids removed (recycle metal lids with metal cans). Please rinse bottles & jars. **No oven-ware, window glass, drinking glasses, mirrors, light bulbs, crystal glass, dishes, or ceramics.**

**Metal cans:** Tin-plated steel or aluminum cans (beverages, etc.), CLEAN aluminum foil/trays and metal jar lids. **No scrap metal, pipes, fencing, auto parts, metal hangers or electronics.**

**Plastic:** Bottles, jars, jugs, tubs, & lids (including yogurt, margarine, etc.). Only these types of containers with the resin number (located at bottom) #1 to #7. Bottle caps and lids are acceptable. Please rinse containers. **No polystyrene foam, packing peanuts, plastic bags/films, black plastic, plastic food containers "clamshells", hangers, plant pots, laundry baskets, garden hoses, or tupperware.**

Large loads of trash (more than 2 cubic yards) should be taken to the Ulster County Resource Recovery Agency Transfer Stations. Ulster County Resource Recovery Agency has two transfer stations; Ulster Transfer Station is located at 999 Flatbush Road, Kingston, NY and the New Paltz Transfer Station is located at 1 Clearwater Road, New Paltz, NY. Call (845) 336-0600 for fees and information on recycling, trash or composting.

**Ulster County Resource Recovery Agency-Recycling Hotline: (845) 336-3336**
